Campus Sustainability Fund (CSF) - Results from the 7th Call for Proposals

This is to announce the results from the 7th call for proposals for the Campus Sustainability Fund (CSF) 2018. A total of 17 eligible proposals were received. After a careful review by an Assessment Panel comprising Associate Provost (Institutional Initiatives) Prof Samuel HO as Chair; Dr Julia TOMASSETTI (SLW), Dr Alex DJORDEVICH (MBE), Ms Brenda LAI (FMO) and one student member, Miss Kylie FUNG, the following 10 projects (listed alphabetically by the project title) are approved. These projects may be grouped into collaborated team(s) in the coming year to foster campus sustainability in CityU.

1. **Cultivating Students' Understanding of Environmental Data: Sustaining Augmented Reality Trees against Live Weather and Air Quality Data in a Mobile App**
Dr Yong Ming KOW (SCM)
2. **Development of the Methodologies and Stakeholder Collaboration for Integrated Sustainability**
Dr Masaru YARIME (SEE)
3. **Emission and Formation of Particulate Air Pollutants from On-campus Catering Facilities**
Prof Chak Keung CHAN (SEE), Dr Tengyu LIU (SEE), Dr Berto LEE (SEE), Miss ZHOU Liyuan (SEE)
4. **Investigation on the Energy Performance of the HVAC System in Lau Ming Wai Academic Building (AC3) at CityU – Stage II**
Dr. HUANG Gongsheng (ACE)
5. **Multi-functional Cellulose-based Composite Materials from Campus Waste Paper**
Dr. LU Yang (MBE), Mr James Utama SURJADI (MBE)
6. **Solar - absorbing Building Facade Performance Demonstration**
Dr CHOW Tin Tai (BST), Mr Terence CHUNG (CDO), Ms Wenjie LIU (BST)
7. **Sustainable CityU: Developing a Practice Platform for Sustainability-related Courses**
Dr YANG Zhengbao (MBE)

8. **Sustainability Tour**

Mr LEUNG Wai Keung (FMO), Ms Shirley NG (FMO)

9. **The CityU Sustainability Debate Series**

Dr Justin ROBERTSON (AIS), Dr ZHANG Jun (AIS), Mr Sandeep CHULANI (AIS)

10. **The Overview Effect**

Mr Scott HESSELS (SCM)

Congratulations! We wish all the above colleagues a successful project in 2018-2019.
