## Putonghua Salon

**Project Number:** 6000160

**Principal Investigator:** Miss Yanyan ZHANG

**Grant Type:** TDG

**Abstract:**

The Salon aims to develop and enhance students' spoken Putonghua in terms of fluency, accuracy and appropriateness in their own speeches in daily life. Through face-to-face individual and group counseling service and various modes of practice, students will acquire a more intuitive grasp of Putonghua and build their own learning goals and strategies.
