An Interactive Learning-Teaching Platform for a BBA Course EF4313 (Corporate Finance):
A course Enrichment Project.

Project Number: 6000416

Principal Investigator: Dr Yaxuan Qi

Grant Type: TSG

Abstract:

The proposed project is designed to enrich a BBA level course titled, "Corporate Finance I" offered by the Department of Economics and Finance. I aim to create an interactive learning-teaching platform that encourages students to apply classroom-discussed theory and skills on a real company.
