Enhancement of Learning Experience in the Teaching of Large Classes- DEC Learning for Crime Prevention (SS3221) or Policing (SS4303)

Project Number: 6000576

Principal Investigator: Dr. Jessica Chi Mei Li

Grant Type: TDG

Abstract:

"DEC Learning for Crime Prevention or Policing" is a 12-month project that aims to provide students with the chance to contribute their innovative and creative ideas in solving crime problems and getting more understanding of the police work nowadays. In this proposed project, two classes of students (approximately 100 students) will go through the process of "knowledge transferal"; their application of creativity and knowledge in crime prevention and policing in solving the day-to-day crime problems will be demonstrated and presented in a showcase forum.
