

In memory of
Dr Kenneth Fang Hung

深切緬懷方鏗博士

We were greatly saddened to hear about the passing of Dr Kenneth Fang Hung, GBS, JP, a staunch supporter of the University, our former Court member, and Honorary Patron of the CityU Foundation. We would like to express our deepest sympathies to Dr Fang's family at this difficult time.

Dr Fang, Chairman of the Fang Brothers Knitting Limited and a leading industrialist in Hong Kong, made tremendous contributions to the development of the textile and clothing sector in Hong Kong. He also contributed his knowledge and experience to the well-being of society. He held offices in many industrial associations and public service organisations.

Dr Fang was also a respected philanthropist. Many students benefited immensely from Dr Fang's generosity. He has been supporting the University development since 2004. He made several significant donations to establish CityU scholarships, namely the Fang Brothers Whole Person Development Scholarships and the Fang Brothers Exchange Scholarships.

Dr Fang will be greatly missed by the CityU community. May he rest in peace.
