## **6. ACADEMIC HONESTY (<http://www6.cityu.edu.hk/arro/content.asp?cid=73>)**

Students must pursue their studies with academic honesty. Academic honesty is central to the conduct of academic work. Students are expected to present their own work, give proper acknowledgement of other's work, and honestly report findings obtained. As part of the University's efforts to educate students about academic honesty, all students are expected to complete an online tutorial on academic honesty and make a declaration on their understanding of academic honesty.

For details, students should refer to the "Rules on Academic Honesty" available [online](#).

## **7. ACADEMIC ADVISING**

### **Student Development Services (SDS) (<http://www.cityu.edu.hk/sds/web/aboutSDS.shtml>)**

The Mission of Student Development Services (SDS) is to enrich students' educational experience and whole person development at City University. We are committed to nurturing the body, mind and spirit of students through various direct services, the provision of developmental programmes and funding support so that students can attain personal and professional excellence, cherish life-long learning and contribute to the society.

### **Assignment of Advisor (Year Tutor) and Student Mentors**

([http://www.cityu.edu.hk/arro/files/file/hk/DegreeWorks/Finding\\_Your\\_Advisor.pdf](http://www.cityu.edu.hk/arro/files/file/hk/DegreeWorks/Finding_Your_Advisor.pdf))

According to the Minimum Guidelines on Student Advising issued by the Office of the Provost, "each entering student will be assigned one academic staff member as Advisor and one experienced student as Student Mentor". There are two functions in AIMS where you can find out who your Advisor (Year Tutor) and Mentor are. You can find the name of your advisor in your advising worksheet. Besides, your advisor's contact information can be found from the "Student Record" tab in AIMS and choose "My advisor/Mentor and my Mentees".
