

2nd Runner Up in HKSQ Student Project Competition 2012

BETQE students participated the HKSQ (Hong Kong Society for Quality) Inter-university Company-based Student Project Competition 2012 in March 2012. The competition offered an opportunity for students to work on a real-life quality management case and propose resolution. Among totally nine teams from four Hong Kong universities, the CityU team with members of four BETQE students Year-3 students, namely, CHAN Oi Yee, DU Ying Si, HO Hoi Ning and HE Mei Feng, got the 2nd Runner Up prize. Their improvement topic is “How to reduce the electricity consumption and maintain healthy environment of a livestock farm?”
