

Internship Opportunities by Hong Kong Professional Airline Pilot Association (HKPAPA)

1. Aviation Operations Intern

- Assist instructors in delivering aviation theory lessons to students
- Prepare training materials
- Support hands-on activities during workshops
- Gain practical experience in aviation education and mentorship

2. Video Editing and Content Creation Intern

- Manage and create content for social media platforms, including editing videos for platforms like Instagram Reels to showcase programs
- Work closely with the Marketing and Communication Intern and the team to enhance brand identity through engaging, high-quality content

3. Marketing and Communication Intern

- Collaborate with the Video Editing and Content Creation Intern to develop and execute social media strategies, create promotional materials, and boost brand visibility
- Crafting compelling narratives to promote aviation programs

4. Project Management Intern

- Handle day-to-day operational tasks
- Coordinate between teams
- Provide support to other interns and staff as needed
- Gain exposure to project planning, time management, and cross-functional collaboration in an aviation-focused environment
