

Team LC is #hiring **Project Interns** this summer.

Passionate in communication? Enjoy learning? Fascinated about culture? Apply now!

About Us:

Founded by Laura Cozijnsen, our consultancy centres around 2 pillars: communication and change.

We provide bespoke services including corporate learning and training, employee engagement and communication campaign, and content creation for corporates. We aspire to bring inspiration in our execution with mindful messaging to facilitate change in organizations and individuals. We look forward to teaming up with you, where authentic and meaningful connections await.
