TLA1: Lectures

Lectures will cover the topics related to all CILOs and will be used to explain the concepts, theories and methods of empowerment-oriented practice.

TLA2: Video shows in lectures

Video shows about real life cases and situations will be shown to help students get a better grasp of the concepts and integrate what they have learnt to the local Hong Kong context. It will mainly contribute to achieve CILO 2, 3 and 5.

TLA3: Experiential activities in lectures

Experiential activities will be used to help students develop an empowerment-oriented perspective (CILO4) and stimulate their reflection on social construction of vulnerability of socially disadvantaged groups (CILO 2) and oppression and discrimination faced by socially disadvantaged groups in Hong Kong societies (CILO 3).

TLA4: Guest lectures

Guest speakers will be invited to share with students about social oppression and discrimination of socially disadvantaged groups (CILO 2 & 3), and the use of empowering strategies to empower socially disadvantaged groups (CILO 4 & 5).

TLA5: Class discussions and exercises and practice demonstrations

Class discussions, exercises and practice demonstrations will be frequently used to help students have further discussion and sharing on the concepts and knowledge they learnt from the lectures and the assigned readings. These teaching and learning activities are expected to achieve all CILO s.

TLA6: Group presentation

Students are asked to divide among themselves into small groups to have a presentation on one chosen topic in class. The topics are related to the achievement of CILO 1-5. Students are recommended to bring the voices of people of socially disadvantaged groups to be heard in the presentation. They can either invite 1 or 2 members of the socially disadvantaged groups to the class, or interview some members of the special need group they choose, collect their voices and let classmates have a chance to listen to their views.

TLA7: Online sharing in Discussion Forum via e-portal

An on-line Discussion Forum will be set up to help students exchange their views, questions, comments and feelings on their learning in this course. Students' participation in the on-line sharing is voluntary. Students can share whatever topics they like, so this activity is relevant to all CILOs.

Assessment Tasks/Activities

(Indicative of likely activities and tasks designed to assess how well the students achieve the CILOs. Final details will be provided to students in their first week of attendance in this course)

CILO No.	Type of Assessment Tasks/Activities	Weighting (if applicable)	Remarks
CILO 1-5	AT1: Class exercises and on-line discussion	20%	
CILO 2-5	AT2: Group Presentation	30%	
CILO 1-5	AT3: Term Paper	50%	

AT1: Class exercises and on-line discussion (20%)

Students are assessed according to their effort in participating in the class exercises. They are also expected to have active participation in on-line discussion, in giving comments, raising questions and contributing to reflective sharing and discussion in the class. Students' effort in reading and understanding the assigned reference materials is also assessed.

AT2: Group presentation (30%)

The group presentation is designed to assess students' understanding of the concepts and knowledge they have learnt and test their abilities and competence in applying knowledge to different socially disadvantaged groups or community situations.

AT3: Term Paper (50%)

Each student has to submit an individual Term Paper of not more than 3,000 words. The term paper topic can be either (a): an essay on the student's presentation topic; or (b): any self-selected topic which is within the course syllabus. It aims at gauging the student's grasp on concepts, theories and knowledge introduced in lectures, assigned readings and class discussions, as well as the ability to apply them to solve problems in various client group situations.
