Credit Units:	3
Level:	P5
Medium of Instruction:	English
Medium of Assessment:	English
Prerequisites: (Course Code and Title)	None
Precursors: (Course Code and Title)	None
Equivalent Courses: (Course Code and Title)	None
Exclusive Courses: (Course Code and Title)	None

Part II Course Details

1. Abstract

- explain the key concepts, core issues, principles, and processes in urban finance and budgeting;
- understand the objectives of urban financial and budgeting management and detect the problems and shortfalls of traditional approaches of urban financial management and budgeting;
- analyze past and current trends in financial and budgetary management reforms happening in both Hong Kong and international cities;
- understand the practice and issues of urban financial and budgeting management in Hong Kong and other big cities with a view to critically evaluating them with the relevant knowledge and techniques.

2. Course Intended Learning Outcomes (CILOs)

(CILOs state what the student is expected to be able to do at the end of the course according to a given standard of performance.)

No.	CILOs	Weighting (if applicable)	Discovery-enriched curriculum related learning outcomes (please tick where appropriate)		
			A1	A2	A3
1.	Infer knowledge about the concepts, principles, frameworks, and politics in the process of urban budgeting			x	x
2.	Outline the main issues and changes in urban budgeting		x		
3.	Compare financial and budgeting reforms in Hong Kong and in big cities of OECD countries and interpret the local and international trends in the reforms		x	x	x
4.	Critique the critical issues in financial management reforms (including performance, costs and devolution) in big cities		x	x	x
5.	Identify the depth and breadth of knowledge of practical problems in urban finance and budgeting		x	x	x
		100%			

A1: Attitude

Develop an attitude of discovery/innovation/creativity, as demonstrated by students possessing a strong sense of curiosity, asking questions actively, challenging assumptions or engaging in inquiry together with teachers.

A2: Ability

Develop the ability/skill needed to discover/innovate/create, as demonstrated by students possessing critical thinking skills to assess ideas, acquiring research skills, synthesizing knowledge across disciplines or applying academic knowledge to self-life problems.

A3: Accomplishments

Demonstrate accomplishment of discovery/innovation/creativity through producing /constructing creative works/new artefacts, effective solutions to real-life problems or new processes.

3. Teaching and Learning Activities (TLAs)

(TLAs designed to facilitate students' achievement of the CILOs.)

TLA	Brief Description	CILO No.					Hours/week (if applicable)
		1	2	3	4	5	
Readings	1. At least 2 book chapters or articles for each lecture 2. Lecture notes uploaded on the Blackboard for each lecture 3. Websites of city governments	x	x	x	x		Vary from student to student.
Lectures & discussion	Lectures <ul style="list-style-type: none"> Presentation of concepts, principles, frameworks, ideas, based on academic literature Classroom short-discussion: <ul style="list-style-type: none"> Questions raised by students and responses by the lecturer and other students 	x	x	x	x		2 hours per week
Group presentation	1. Analysis and debates on main issues on selected topics 2. Questions and answers		x	x	x	x	2 hours every other week
Group report	1. Each group has to write up an approximately 2,500 word group report, based on its group presentation 2. Comments from the lecturer		x	x	x	x	N/A

4. Assessment Tasks/Activities (ATs)

(ATs are designed to assess how well the students achieve the CILOs.)

Assessment Tasks/Activities	CILO No.					Weighting	Remarks
	1	2	3	4	5		
Continuous Assessment: 30%							
Group report (3500-4500 Words)		x	x	x	x	30%	
Examination: 70% (duration: 2 hrs , if applicable)						100%	

5. Assessment Rubrics

(Grading of student achievements is based on student performance in assessment tasks/activities with the following rubrics.)

Assessment Task	Criterion	Excellent (A+, A, A-)	Good (B+, B, B-)	Adequate (C+, C, C-)	Marginal (D)	Failure (F)
Group report		High standard of knowledge of the core concepts, principles, and techniques in urban finance and budgeting management, the different approaches to budgeting of city governments, financial and budgetary reforms in big cities. Excellent writing, presentation, and research skills.	Fairly good understanding of core concepts, principles, and techniques in urban finance and budgeting management, the different approaches to budgeting of city governments, financial and budgetary reforms in big cities. Good writing, presentation, and research skills.	Rudimentary understanding of the core concepts, principles, and techniques in urban finance and budgeting management, the different approaches to budgeting of city governments, financial and budgetary reforms in big cities. Basic writing, presentation, and research skills.	Poor understanding of the core concepts, principles, and techniques in urban finance and budgeting management, the different approaches to budgeting of city governments, financial and budgetary reforms in big cities. Weak writing, presentation, and research skills.	Almost no knowledge of the core concepts, principles, and techniques in urban finance and budgeting management, the different approaches to budgeting of city governments, financial and budgetary reforms in big cities. Inadequate writing, presentation, and research skills.
