Part II Course Details

1. Abstract

This course is intended to provide students with the skills and theoretical understanding needed to critically analyse texts from a genre perspective in a range of settings, both academic and professional. The accompanying aim is to show how such analysis can be usefully applied in terms of both text production and pedagogy.

2. Course Intended Learning Outcomes (CILOs)

(CILOs state what the student is expected to be able to do at the end of the course according to a given standard of performance.)

No.	CILOs	Weighting (if applicable)	Discovery-enriched curriculum related learning outcomes (please tick where appropriate)		
			A1	A2	A3
1.	Evaluate critically the current genre-based approaches to the analysis of specialised academic and professional genres.		X	X	
2.	Evaluate specific issues emerging from analyses of a set of specialised genres.		X	X	
3.	Analyze the disciplinary, intercultural and cross-cultural variation in academic and professional genres.		X	X	
4.	Evaluate and apply pedagogically usable insights from genre-based descriptions of language use in academic and professional contexts.				X

A1: Attitude

Develop an attitude of discovery/innovation/creativity, as demonstrated by students possessing a strong sense of curiosity, asking questions actively, challenging assumptions or engaging in inquiry together with teachers.

A2: Ability

Develop the ability/skill needed to discover/innovate/create, as demonstrated by students possessing critical thinking skills to assess ideas, acquiring research skills, synthesizing knowledge across disciplines or applying academic knowledge to self-life problems.

A3: Accomplishments

Demonstrate accomplishment of discovery/innovation/creativity through producing /constructing creative works/new artefacts, effective solutions to real-life problems or new processes.

3. Teaching and Learning Activities (TLAs)

(TLAs designed to facilitate students' achievement of the CILOs.)

TLA	Brief Description	CILO No.						Hours/week (if applicable)
		1	2	3	4			
	Read a selection of relevant references, interpreting the views of published authors in the context of discourse analytical work, and review them critically.	X	X					
	Critically read and evaluate the handouts given every week to cover the work done in the lectures.	X	X					
	Interactive lectures, and active participation in class discussions.	X	X	X	X			
	(1) Work in small groups of 3-4 to analyse and evaluate individually selected corpora of academic and professional genres, and then make workshop presentations of your own analyses of these genres, with active participation by all. (2) Evaluate and analyze specific issues emerging from genre analyses of actual samples of texts collected from real academic and professional contexts.		X	X	X			

4. Assessment Tasks/Activities (ATs)

(ATs are designed to assess how well the students achieve the CILOs.)

Assessment Tasks/Activities	CILO No.						Weighting	Remarks
	1	2	3	4				
Continuous Assessment: 100%								
Write a 300-word critical review of any one of the readings.	X	X					20%	
Present analyses of academic and professional genres in group presentations, with active participation from all.		X	X	X			30%	
Present analyses of sets of different academic or professional genres according to interest.		X	X	X			50%	
Examination: ____% (duration: _____, if applicable)								
							100%	

5. Assessment Rubrics

(Grading of student achievements is based on student performance in assessment tasks/activities with the following rubrics.)

Assessment Task	Criterion	Excellent (A+, A, A-)	Good (B+, B, B-)	Fair (C+, C, C-)	Marginal (D)	Failure (F)
1.		<ul style="list-style-type: none"> Shows full understanding of main concepts and their application; All relevant information is included in discussion and analysis; The topic is comprehensively analyzed and explained; The purpose of the analysis of concepts is completely achieved; 	<ul style="list-style-type: none"> The main concepts are competently discussed and applied; The information included in discussion and analysis of concepts is sufficient; The topic is sufficiently analyzed and explained; The purpose of the conceptual analysis is achieved; 	<ul style="list-style-type: none"> The concepts selected for analysis are sufficient, and partially applied; Only partial information is included in discussion and analysis of concepts; Only partial analysis is provided; The purpose of the conceptual analysis is partially achieved; 	<ul style="list-style-type: none"> The concepts selected for analysis are sketchy and inadequate; Incomplete information is included in discussion and analysis of concepts; The analysis is not informative or comprehensive; The purpose of the conceptual analysis is not adequately achieved; 	<ul style="list-style-type: none"> The concepts selected for analysis are highly inadequate; Very limited or inaccurate information is incorporated in conceptual analysis; The analysis is not at all comprehensible; The purpose of the conceptual analysis is not achieved in any way;
