Medium of	
Assessment:	English
Prerequisites:	
(Course Code and Title)	Nil
Precursors :	Nil
(Course Code and Title)	NII
Equivalent Courses : (Course Code and Title)	Nil
Exclusive Courses:	
(Course Code and Title)	Nil

Part II **Course Details**

1. Abstract

This course aims to help students -

- Ο examines the nature, scope and significance of land law and housing management;
- Ο develops a sound knowledge of the principles of land law; Ο
 - develop the following skills in relation to issues concerning land law;
 - أ research skills;
 - ∻ analytical and problem-solving skills;
 - ∻ effective written and oral communication skills; and
 - ♦ an awareness of the social and commercial contexts in which land law operates.

2. **Course Intended Learning Outcomes (CILOs)**

(CILOs state what the student is expected to be able to do at the end of the course according to a given standard of performance.)

No.	CILOs Describe and explain basic principles of land law and provide students with a general understanding of land law, the nature of land ownership, building management and land planning system in Hong Kong.	Weighting (if applicable) 40%	approp AI	lum rel g outco tick riate) A2	ated omes
2.	 Analyse and critically evaluate: ○ Land law issues of topical interest ○ The operation of the substantive rules of land law ◇ in terms of the objectives and practical implications of land law ◇ their social and commercial contexts in relation to other branches of law. 	35%	V	V	
3.	 Apply principles of land law to solve legal problems by: researching issues of land law analysing and solving problems in land law with special references to emerging trends or/and current problems in relation to land ownership communicating their analyses clearly and precisely in their own words and in plain English taking this as an opportunity to make a novel contribution to our understanding of land law or to look at existing solutions with a critical approach. 	15%			V
4.	Communicate ideas, arguments or advice clearly and coherently orally and in writing.	10%		V	V
L		100%		1	<u> </u>

A1: Attitude

Develop an attitude of discovery/innovation/creativity, as demonstrated by students possessing a strong sense of curiosity, asking questions actively, challenging assumptions or engaging in inquiry together with teachers.

A2: Ability

Develop the ability/skill needed to discover/innovate/create, as demonstrated by students possessing critical thinking skills to assess ideas, acquiring research skills, synthesizing knowledge across disciplines or applying academic knowledge to self-life problems.

A3: Accomplishments Demonstrate accomplishment of discovery/innovation/creativity through producing /constructing creative works/new artefacts, effective solutions to real-life problems or new processes.

3. Teaching and Learning Activities (TLAs)

(TLAs designed to facilitate students' achievement of the CILOs.)

TLA	A Brief Description		CILO No.				Hours/week	
	_		1 2 3			4	(if applicable)	
Researching primary and secondary sources of law	0	Students will acquire knowledge of principles of land law pertaining to the topics to be covered in the syllabus.	V					
Lectures	0	Students will receive guidance on major concepts of land law, their readings and basic research for their lecture and tutorials.						
Tutorials	0	Tutorial questions will require students to analyse facts and law and critically examine the adequacy and effective of the law in its current state.						
Lectures	0	Students will be introduced to principles of land law in their practical application.		V				
Tutorials	0	Students will be required to make individual or group presentations on selected topics. Students will be encouraged to discover for themselves deficiencies of or areas in need of improvement in land law.						
Lectures	0	Students will learn how to solve problems by applying land law. Students will be required to analyse fact situations and			V			
Tutorials		to apply case law precedents to ascertained facts.						
Lectures	0	Students will be expected to research on the tutorial assignments, and be ready				V		
Tutorials	1	to contribute to discussions.						

tutorial question among themselves, with the tutor commenting on strengths		
and weaknesses of student contributions.		

4. Assessment Tasks/Activities (ATs)

(ATs are designed to assess how well the students achieve the CILOs.)

Assessment Tasks/Activities	CILO No.				Weighting	Remarks
	1	2	3	4		
Continuous Assessment: 100%						
Class Participation					20%	
Coursework (Presentation)					30%	
End Semester Assignment					50%	
					100%	

Grading of Student Achievement: Standard (A+, A, A-...F). Grading is based on student performance in assessment tasks / activities.

To pass the course students must achieve an overall total mark of 40% or above.

The portion of the overall mark allocated to performance/participation in inter-active in class activities will be assessed on the quality of the participation. To enable the full benefit to be obtained from this course, students should attend all of the classes and activities.

Readings will be assigned for every week. <u>Students must come prepared for the "lectures": These lectures/classes will be highly interactive in nature, and students must participate in class. Sitting silently and taking notes in class is not acceptable for this course.</u> In addition, students should not expect detailed PowerPoints. PPTs, if used, will be kept to a bare minimum.

Assessment will be formative to enable students to demonstrate their capacity to understand, analyse and apply rules and principles, with an inquiring mind and critical approach. They will be summative to assess students' ability to synthesise primary and secondary materials to solve novel problems, investigating at the same time adequacy of existing legal framework and the need for any improvements or innovation.

5. Assessment Rubrics

(Grading of student achievements is based on student performance in assessment tasks/activities with the following rubrics.)

Assessment Task	Criterion	Excellent	Good	Fair	Marginal	Failure
		(A+, A, A-)	(B+, B, B-)	(C+, C, C-)	(D)	(F)
1. Class Participation	Ability to master principles, theories and concepts; Ability to identify the right issues and address the problems; Ability to conduct legal research; Ability to apply the relevant laws to the issues; Ability to present arguments and observations clearly and in a well thought out manner.	Strong evidence of original thinking; good organization, capacity to analyse and synthesize; superior grasp of subject matter; evidence of extensive knowledge base.	Evidence of grasp of subject, some evidence of critical capacity and analytic ability; reasonable understanding of issues; evidence of familiarity with literature.	Student who is profiting from the university experience; understanding of the subject; ability to develop solutions to simple problems in the material.	Sufficient familiarity with the subject matter to enable the student to progress without repeating the course.	Little evidence of familiarity with the subject matter; weakness in critical and analytic skills; limited, or irrelevant use of literature.
2. Mid-semester Assignment (Individual or Group) and End of Semester Assignment	Ability to identify and address the right issues in the problems; Ability to analyse, argue and present original thinking; Ability to apply accurately the relevant laws to the analyses and arguments; Ability to present views and arguments clearly within a prescribed time under pressure.	Strong evidence of original thinking; good organization, capacity to analyse and synthesize; superior grasp of subject matter; evidence of extensive knowledge base.	Evidence of grasp of subject, some evidence of critical capacity and analytic ability; reasonable understanding of issues; evidence of familiarity with literature.	Student who is profiting from the university experience; understanding of the subject; ability to develop solutions to simple problems in the material.	Sufficient familiarity with the subject matter to enable the student to progress without repeating the course.	Little evidence of familiarity with the subject matter; weakness in critical and analytic skills; limited, or irrelevant use of literature.

Part III Other Information (more details can be provided separately in the teaching plan)
