Grading of Student Achievement: Refer to Grading of Courses in the Academic Regulations

Applicable to students admitted from Semester A 2022/23 to Summer Term 2024

To pass this course, student must obtain an aggregate mark of 50% and a minimum of 50% in each of the continuous assessment and the examination elements of the assessment.

Applicable to students admitted before Semester A 2022/23 and in Semester A 2024/25 and thereafter

To pass this course, students must obtain an aggregate mark of 40% and a minimum of 40% in each of the continuous assessment and the examination elements of the assessment.

To ensure fair and comprehensive assessment of students' course performance, the pass mark requirement for the CA component will be waived for courses with a CA component equal to or less than 30%. This means students only need to achieve the pass marks for the final exam component AND the overall mark to pass the course. Continuous assessment for this purpose means those ways in which students are assessed otherwise than by the end of semester examination.
