Subject: Invitation to Serve on the Selection Panel of the HK PhD Fellowship Scheme (HKPFS) 2014/15

Dear Prof Chu,

I am writing on behalf of Prof Benjamin Wah, Chairman of the Research Grants Council (RGC), to invite you to join the Selection Panel (**S Panel**) for the Hong Kong PhD Fellowship Scheme (HKPFS) 2014/15.

The Scheme is an important initiative of the RGC and we sincerely hope that an impartial and knowledgeable person like you would help us on the Selection Panel of the Scheme which will have long-term and significant impact on the future research development of Hong Kong. The Hong Kong research community will be deeply indebted to the local panel members who offer their time and professional expertise to serve on the panels.

A formal appointment letter and more details on the arrangements of the selection exercise will follow after we receive your favourable reply.

In view of the tight time-frame, your **prompt reply** would be highly appreciated. I look forward to receiving your favourable reply. Please feel free to contact me should you have any questions.

Best regards,
Melissa

Subject: Invitation to Serve on the Selection Panel of Hong Kong PhD Fellowship Scheme 2013/14

Dear Prof Chu,

I am writing on behalf of Prof Roland Chin, Chairman of the Research Grants Council (RGC), to invite you to join the Selection Panel for the Hong Kong PhD Fellowship Scheme (HKPFS) on the recommendation of your institution. You may visit our websites at <http://www.rgc.edu.hk> and <http://www.rgc.edu.hk/hkphd> for information regarding the RGC and HKPFS respectively. Please note that your appointment is made on the basis of your personal capacity and you should not seek to represent your institution during the assessment process.

The Scheme is an important initiative of the RGC and we really need an impartial and knowledgeable person like you to help us in the Selection Panel. I would be much grateful if you would kindly consider squeezing some of your precious time in your busy schedule to help us in this Scheme, which will have long-term significant impact to the future research development of Hong Kong. The Hong Kong research community will deeply appreciate your help.

I look forward to your favourable reply. Please feel free to contact me should you have any questions.

Best regards,
Antonia
