To: Department of Physics
City University of Hong Kong

(Fax: 3442 0538; Tel.: 3442 7831; Email: phy.go@cityu.edu.hk)

From: The Principal

Name of School: _____

Address: _____

Contact Person: _____ Telephone: _____

Fax: _____ Email: _____

We would like to visit your department on# _____

Number of Students: _____

We would like to have your staff visiting our school on# _____

Please give the following talk to our students:

Mode of delivery: Face-to-Face Online (e.g. Zoom)

	Amazing Quantum World at Low Temperature 奇妙的低温量子世界
	Biomedical Physics 生物醫學物理
	Can a liquid droplet be non-spherical? 液滴可以是非球形的嗎?
	China Spallation Neutron Source in Dongguan and what it means to Hong Kong 位於東莞的中國散裂中子源及其與香港社會的關聯
	One Century Dream in Superconductors 超導體百年之夢
	Physics Spots Pneumonia and other Medical Applications 應用物理學以識別肺炎及其他相關醫療技術
	The Exotic Quantum World - An introduction to Quantum Computing 奇異的量子世界 - 淺談量子計算
	Others: <i>Please propose your own topic/activity</i> _____

We would like to have _____ more copies of the program brochure.

Signature: _____ Date: _____

Please provide additional timeslots for the visit arrangement.
