

Independent Study Proposal Form

IMPORTANT NOTES:

- If a student intends to take “SM5315 Independent Study I” or “SM6310 Independent Study II”, he / she should complete the “Independent Study Proposal Form” and submit it to the SCM General Office no later than Friday of Week 2 of each semester. A copy of the form AND the project proposal should be provided to the faculty advisor.
- The Advisor should be full-time academic or teaching staff of the School.
- Project proposal (attached, approximately 750 words), to include:
 - a) A summary description of the project/study
 - b) A list of references/bibliography where applicable
 - c) A schedule for completion of the project or research
 - d) A brief description of the project/study outcome
- Please web-register the course via AIMS by the deadline of the add/drop period of each semester.
