Campus Internship Scheme (CIS)

1. Introduction

To better consolidate students' work-based learning experience and to enhance their professional and personal development on campus, a Task Force has conducted a review of the On-campus Service-learning Scheme (OSS) in October 2011 and has recommended the introduction of two new schemes, namely the Campus Internship Scheme (CIS) and the Campus Work Scheme (CWS), for implementation on 1st July 2012 to replace the OSS.

Starting from 1 July 2020, CWS will cease to be implemented so that the hiring and management of student helpers will be decentralized for the Recruiting Units under Student Helper Management System (Job no. starts with “P” or “F”), while CLC will continue to manage CIS (Job no. starts with “N”).

All enquiries on CIS and suggestions may be forwarded directly to the Career and Leadership Centre via email at clc.careercentre@cityu.edu.hk.

2. Programme Objectives

- 2.1 To enhance students' understanding of the work environment and their long-term personal and professional development.
- 2.2 To develop students' analytical, problem-solving, and interpersonal skills to engage in discovery and innovation.
- 2.3 To facilitate students' career exploration and add value to their employability.

II. Notes to Student Helpers

1. Eligibility

- 1.1 Regular local students enrolled in bachelor degree and associate degree programmes leading to CityU awards. Starting from 2017/18 (i.e. from 1 July 2017 onwards), CCCU students are NO LONGER eligible as CIS student helpers.
- 1.2 Non-local students with valid No Objection Letter (NOL) can also apply.
- 1.3 Students should have a Cumulative Grade Point Average (CGPA) of 2.8 or above at the time of application.
- 1.4 First-year students who do not yet have any CGPA results in their first semester of study may apply.
- 1.5 For students who are on “Leave of Absence”, they should focus on what they intend to achieve during their Leave from Study and thus working under CIS is not allowed until their study status and academic loading have resumed to normal.

2. Nature of Work

2.1 To assist CityU staff in a wide range of university projects and activities.

3. Work Location

3.1 Primarily within CityU campus.

3.2 Assignments or projects outside the campus may be involved.

4. Maximum Workload

4.1 During regular terms, students may be appointed to work up to a maximum of 17 hours per week including all concurrent job assignments. The weekly limit is counted on 7-calendar day basis from Sunday to Saturday.

4.2 During summer term, students may be allowed to work up to a maximum of 44 hours per week for a period of not more than 2.5 months during 1st June – 15th August inclusive (Including all concurrent job assignments). The weekly limit is counted on 7-calendar day basis from Sunday to Saturday.

4.3 Students can take on more than one job assignment at the same time; however, the maximum number of concurrent job assignments that a student can hold in any period within CityU should not exceed three (CIS and New Student Helper Scheme inclusive).

4.4 The CIS work should normally comprise at least 150 hours of service.

5. Application, Selection and Offer of Appointment

5.1 All CityU students meeting the eligibility requirements may apply for CIS positions by sending a CIS Student Application Form and their résumés or related documents directly to respective recruiting units.

5.2 Respective recruiting unit will conduct its own evaluation of applicants and decide on the final selection.

5.3 The recruiting units shall notify the CIS Administrator of the selected students by sending the electronic Student Application Forms to the Career and Leadership Centre through AIMS. The earliest CIS job assignment start date will be 3 working days upon supervisor's recommendation of students to Career and Leadership Centre through AIMS.

5.4 Appointed students will be notified of the job assignments and they should report duty directly to the recruiting units. Details of job duties will be specified by the recruiting units.

- 5.5 If the job assignment offered to a student is the first ever for the student under the CIS, the Human Resources Office (HRO) will issue to the student an electronic *Letter of Assignment* with an appointment period up to the completion of their undergraduate study. The student shall indicate acceptance of the offer online before the commencement of a CIS job. Eligible students should also download and complete the Mandatory Provident Fund Scheme membership enrollment form and submit it to Career and Leadership Centre within 7 days for further processing.

Kindly be reminded that students must not begin their job assignments earlier than the assignment start date due to insurance coverage and potential payment dispute.

6. Terms and Conditions of Service

- 6.1 Training Stipend: HK\$75 per hour

6.2 Mandatory Provident Fund

Pursuant to the Mandatory Provident Fund Schemes Ordinance effective 1 December 2000, unless he/she is an exempt person as stipulated in the Ordinance, a student helper (CIS) will be enrolled in the University's Mandatory Provident Fund Scheme.

Subject to the maximum and minimum levels of income (*currently \$30,000 per month and \$7,100 per month respectively*) for mandatory contribution purpose, the University will deduct the relevant mandatory contributions from the CIS students' relevant income (5%) as employee's contributions to the Mandatory Provident Fund Scheme; and the University will also make the relevant employer's contributions to the Scheme (5% of the employee's relevant income).

- 6.3 The eligibility for fringe benefits shall be determined in accordance with the provisions of the Employment Ordinance, where applicable.
- 6.4 During the course of the employment, students are expected to carry out their duties in a diligent manner and not to divulge to outside parties any confidential information concerning the University which may have come to their knowledge.
