Change in Coursework Plan for Research Students (SGS16B)

1. Change requests should be submitted to the Chow Yei Ching School of Graduate Studies no later than the end of the Add/Drop Period of the respective semester in which the course(s) are offered. Late requests will normally not be processed.

2. A list of the approved courses for research students is available at [http://www.cityu.edu.hk/sgs/rpg/student](http://www.cityu.edu.hk/sgs/rpg/student).

3. Courses taken without approval from supervisors will NOT be counted towards the fulfillment of coursework requirement.

4. Students can add/drop web enabled courses that require no special approval from Head of Department/School Dean within the add/drop period (normally ends on 1st day of week 2 of the semester). Add/drop of courses that are not web enabled, outside the add/drop period or courses that require special approval (which cannot be added/dropped by students) would be performed by SGS.

5. Students (commenced study on or after 1 September 2019) taking core/elective courses offered by other Department/School should consult their home department beforehand if there is any implication on taking the home department’s Qualifying Examination.
