## VII Points to Note for Non-Local Applicants

- Non-local applicants are persons who require a student visa/entry permit issued by the Hong Kong Immigration Department to study in Hong Kong. Persons who do not have the right of abode or right to land and wish to enter Hong Kong for the purpose of education are required by law to obtain a valid student visa/entry permit issued by the Hong Kong Immigration Department before going to Hong Kong. Persons holding a "Permanent Hong Kong Identity Card" (as distinguished from a "Hong Kong Identity Card"), a dependant visa or a full-time employment visa/work permit (for part-time study) issued by the Hong Kong Immigration Department are NOT considered as non-local applicants. It is the student's responsibility to obtain a valid student visa/entry permit before arrival, and to comply with the terms and conditions of the visa/entry permit. If you are unable to produce a valid student visa/entry permit, you will not be allowed to enroll in the courses offered.
- For information on visa application, please consult the website of the Hong Kong Immigration Department at [www.immd.gov.hk](http://www.immd.gov.hk). For assistance on student visa sponsorship, please visit the website of the Global Services Office at [www.cityu.edu.hk/gso](http://www.cityu.edu.hk/gso) to find out the steps to follow.
- Because of visa restrictions, non-local visiting students are required to undertake a full-time study load of  $\geq 12$  credits (e.g. at least 4 courses of 3 credit units each) in semester A or B; at least 6 credit units in Summer Term (e.g. at least 2 courses of 3 credit units each).
- The University's class schedule is normally available at the time of application for admission in Semester B and Summer Term. For admission in Semester A (September entry), applicants are advised to check the class schedule which will only be available in early August for course(s) offered to avoid timetabling clash.
- It is **MANDATORY** for all non-local students to have suitable and adequate insurance which should include but not limited to travel, personal accident, medical expenses (accident and non-accident), hospitalization and emergency evacuation / repatriation throughout the entire period of their studies in Hong Kong. You should arrange your own insurance before coming to Hong Kong. If you are not able to do so or would like to have additional coverage, you may purchase the insurance plan for non-local students arranged by the University. Further information is available at the website of our Global Services Office at [http://www.cityu.edu.hk/gso/cns\\_healthninsur.htm](http://www.cityu.edu.hk/gso/cns_healthninsur.htm).
