

5 Course Plan at CityU

Please list the postgraduate course(s) that you plan to take at CityU. For information on the courses to be offered in your exchange semester, please contact the respective College/School/Department of CityU.

The normal study load for a full-time student is 12-18 credits in Semester A or B, and 7 credits in Summer Term. While we will endeavour to arrange course pre-registration for you, there is no guarantee that your course preference can be met. Subsequent changes to your course plan can be made when you are granted on-line access to the course registration system nearer the start of the semester/term.

*Please choose courses offered by one department as far as possible since you are required to take more than 50% of your courses in the same department to facilitate assignment of the host department for your study.
