## General Information for Research Degree Students

### Application Powerpoint

- General information
- AIMS Demo

#### General Information for Research Degree Students (2022/23)

The University offers on-campus accommodation for full-time research degree students and non-local taught postgraduate students in UGC-funded programmes. Application will be administered on a yearly basis. Due to the very limited residence places and increasing demand, the University is unable to offer residence places to UGC-funded research degree students for their entire study period. Furthermore, there is no guarantee at all that students will be granted residence places during their studies.

Students who are not successful in hall application are advised to visit "off-campus accommodation" for more

Application information (i.e. key dates) is announced on an SRO website around Mar/Apr every year

Hall places are allocated to eligible RPGs by lot-drawing in an impartial manner

Any conflict could be ironed by with RM/RTs

# Off-campus Housing Advising

## SRO website

The screenshot shows the CityU Student Residence Office website. The main content area is titled 'Short Term Accommodation' and lists four options: Hotel, Hostel, Co-living spaces, and Serviced apartment / private housing. A sidebar on the right contains a menu with 'OFF-CAMPUS ACCOMMODATION (OCA)', 'UNIVERSITY-RESERVED OFF-CAMPUS ACCOMMODATION SCHEME 2020/21', 'SHORT TERM ACCOMMODATION', and 'USEFUL INFORMATION'. The 'USEFUL INFORMATION' link is circled in red, with an arrow pointing to the 'this link' in the main text below. Another arrow points from the 'USEFUL INFORMATION' link to the 'this link' text.

**Short Term Accommodation**

A variety of short stay accommodation options are available in Hong Kong. The best option depends on what you're looking for.

<b>Hotel</b>	Twin bedroom setting in general; should have a roommate to share the cost
<b>Hostel</b>	Bunk beds within shared rooms, shared bathrooms and communal spaces
<b>Co-living spaces</b>	Both private and shared rooms, will share common areas like cooking and living spaces
<b>Serviced apartment / private housing:</b>	Flexible short-term and long-term rental

Current and prospective CityU students can click [this link](#) for different options (some offer special rate to students)

## HALL 7 AT A GLANCE

JOCKEY CLUB  
HARMONY  
HALL

Hall 7 is one of the leading halls waving the flags of unity, diversity, and collaboration high on behalf of all SR residents. The residents identify themselves as 'Harmonians,' paying respect to the slogan of Harmony, seen around every corner of the hall.

From multiple game nights to cultural activities exchange to productive competitions, there are always fun activities to partake in and rewarding challenges awaiting you. This is the way to live your hall life and socialize together for the ultimate university experience!

Hall 7 is the only hall in SR to accommodate both postgrad and undergrad students. Our Residence Tutors also come from varied home majors and departments including Computer Science, Computational Finance, Management, and Accountancy just to name a few.

### ACHIEVEMENTS

Harmonians' proactive nature has brought the Hall first place in 2014 and 2017's PEKC and first runner up accolade in 2016.

In 2021, Hall 7 was the first runner-up in the Inter-hall CityU Anthem Music Video competition and second runner up in the Inter-hall Basketball Shooting Competition.

## HALL 7 AT A GLANCE

### DIVERSITY AND UNIQUENESS

Hall-7 is all about exposures and adventures. It's a place you'll engage with your peers during many activities designed for hall residents. You'll have lots of opportunities to celebrate diversity and promote change. We strongly believe that no university experience is complete without having a taste of hall life.

### PERSONAL CULTIVATION

We underscore all-round development, ranged from physical to aesthetic cultivation of yours. You could definitely spice up your off-classroom experience as well as extending your reach through our signature events such as Annual High Table Dinner, and Carnivals and Festive Celebration.

*Home is where your heart is*

## E-WELCOME NIGHT

An E-Welcome Night organized by the resident management team was held on 10th September 2020. This event aimed to welcome our new residents and introduced the activities and facilities in Hall-7. We had some fun and interesting quizzes related to Hall-7 and hall life. The winners received boxes of face masks to keep themselves safe in the time of the covid pandemic.

## RM ROOM VISIT

To mark the start of a fruitful residential year for the residents, the RM and the Hall Management team paid a surprise visit to the rooms on 6th October. The RM knocked on each one of the doors and greeted them with the best of wishes with their stay here in Hall 7. A good gesture indeed!

## FIRST POINT OF CONTACT

15

## COOKING VLOG

Cooking Vlog gave the chance for residents to unleash their inner chef by showcasing the diversity in culture and cuisine through their cooking and video editing talents.

The categories open were Individual, Couple, or Group of 3 with the first 25 participants receiving 80 HKD subsidy and all candidates being awarded hall points.

Over 27 delicious submissions were received and publicly shown to be voted for top 10 selections by hall 7 residents. Winner, first runner-up, and second runner-up were then chosen by all Harmonians.
