Itinerary for Exploring HK – (Tentative)
Hoi Ha Wan - Glass Bottom Boats Tour

Date : 3 September (Sat)
Gathering time: 12:30 pm
Return time: 6:30 pm
Gathering point: Moon Chun Multi-function Hall (MFH-A)

Area: Hoi Ha Wan : WWF Hong Kong Hoi Ha Marine Life Centre
Activities time: 3 hours
Route: 12:45 Kowloon Tong departure 🚌 > 14:00 WWF Hong Kong Hoi Ha Marine Life Centre(Coral observation on Glass-bottomed boat, Field study at coastal habitats(about 45mins to 1hr each session)) > 17:00 Hoi Ha Marine Life Centre departure 🚌 > 18:30 Kowloon Tong dismissal

Important Notes: This trip includes outdoor activities that are dependent to the weather.
- Please kindly prepare enough water and sun protection items. Keep aware of the personal health status.
- Please wear shorts and canvas shoes. Participants are needed to wade in the shallow water
- There are staircases along the hiking trail from Hoi Ha Village to the Hoi Ha Marine Life Centre. The walk takes about 15 minutes and participants should make sure they are physically fit.
- The glass-bottomed boat trip is weather dependent. It will be replaced by other activities if the on-site weather is not favourable for the activities.
- The coastal Field study is tide level dependent. It will be replaced by other activities if the on-site tide level is not favourable for the activities

Registration: Pay at SRO reception* (CASH only)
- Bring your HKID/passport for insurance purposes

Check points
Hoi Ha Wan - Glass Bottom Boats tour (海下灣玻璃船之旅)
By doing field study in different coastal habitats and observing the interesting marine animals, participants can find out the high ecological value of the marine park and understand the interrelationship between habitats and ecosystem.
