Appeal, Vetting, Room Assignment
Appeal

- Appeal against one’s application results can only be made to SRO in writing, but will only be considered with new/additional supporting documents.

- Appeal Period: 29 April - 6 May 2021
Vetting

• Vetting will be conducted by SRO throughout the application processing and residential period.

• Hall Application is an HONEST system. Students are required to submit true, accurate and correct information in AlMs.

Note: DO keep all document proofs relating to your hall application.

• Should students fail to respond to SRO’s request for vetting, they could be considered as submitting inaccurate information and their status of student residence will be revoked and disqualified for their entire study period.

Note: All hall fees paid under this circumstance will NOT be refunded.

• Serious misleading cases will be subject to further disciplinary actions, which may undermine students’ opportunities for award, scholarship, exchange or internship.
Room Assignment

• Rule of thumb: All applicants will be assigned to double-room double-occupancy if no preference is indicated.

• Applicants' preferences on hall, room type and roommate will be considered as far as possible.

• There is no guarantee that one will be assigned to a particular hall, unit, room type, or with a specific roommate. Final room assignment is subject to room availability and hall admission policies.

• SRO and the Residence Masters reserve the right to make alternative assignment decisions or re-assign students when necessary.

• No room assignment will be made if applicants fail to confirm their hall offer.
