Electronic ID (EID)

EID is a unique ID assigned to users for accessing IT services provided by the University. Once an EID is assigned to a user, it will be used by that person even when he/she changes his/her role in the University as a student or staff or alumni.

The current policy is to generate EID based on the name of individual user and the EID is in alpha-numeric format. However, there are still cases that some existing students and alumni are having their Student Numbers as their EIDs.
