## *University Announcement*

### **Notification on Emergency Response Unit (ERU) (3)**

In view of the current social circumstances, staff and students have expressed concerns and sought guidance from the University on ways to handle possible conflicts and incidents that might happen during class or on campus. The Office of the Provost has recently met with heads of academic departments and relevant administrative units to review and strengthen the existing guidelines for classroom and campus management with an aim to address possible conflict scenarios and social actions.

The University always respects discussions in a peaceful, rational and non-violent manner and we endeavour to provide a safe and welcoming environment for all students to learn and grow.

Staff and students who are in need or who encounter special circumstances can contact the ERU through Professor Eric Chui, Dean of Students, and the Student Development Services team via email: [enquiry.eru@cityu.edu.hk](mailto:enquiry.eru@cityu.edu.hk). The ERU will continue to communicate directly with staff and students, and refer enquiries to the corresponding departments for appropriate assistance. In emergency situations, staff and students may call our 24-hour emergency hotline: 3442 8888.

Chairmen of the ERU,  
Professor Horace Ip Ho-shing, Vice-President (Student Affairs)  
Mr Sunny Lee Wai-kwong, Vice-President (Administration)
