## *University Announcement*

### **Notification on Emergency Response Unit (ERU) (15)**

Students and staff safety is a university's top priority. The University respects the rights of expression in a peaceful and rational manner, and will not tolerate any form of violence.

Earlier yesterday morning, several unidentified intruders entered the campus to spray-paint the external wall of the ground floor of the Run Run Shaw Creative Media Centre and assaulted a female security guard who attempted to stop them. The University has reported the incident to the police and the security guard has been sent to the hospital for treatment.

The University strongly condemns all forms of violent and illegal behaviour. We once again call upon the University community to join together so that everyone can study and work in a safe and harmonious environment.

Staff and students who are in need or who encounter special circumstances can contact the ERU through Professor Eric Chui, Dean of Students, and the Student Development Services team at [enquiry.eru@cityu.edu.hk](mailto:enquiry.eru@cityu.edu.hk). The ERU will continue to communicate directly with staff and students, and refer enquiries to the corresponding departments for appropriate assistance. In emergency situations, staff and students may call our 24-hour emergency hotline: 3442 8888.

Chairmen of the ERU,  
Professor Horace Ip Ho-shing, Vice-President (Student Affairs)  
Mr Sunny Lee Wai-kwong, Vice-President (Administration)
