University Announcement

Notification on Emergency Response Unit (ERU) (17)

More intruders entered campus in the past few days. They stuck up large posters printed with slogans, spray-painted in various places and threatened security guards carrying out their duties. After a preliminary investigation, we suspect that these destructive acts, which were committed in a highly organised way, were carried out by outsiders. Their actions pose a serious threat to campus safety. We strongly condemn such behaviour and reserve the right to take any necessary action.

The Emergency Response Unit (ERU) has received a number of complaints and enquiries condemning such illegal acts and expressing concern about campus safety. Once again we urge the University community to defend campus security and prevent any form of illegal behaviour and violence together so that everyone can continue to learn and work in a safe and comfortable environment.

Staff and students who are in need or who encounter special circumstances can contact the ERU through Professor Eric Chui, Dean of Students, and the Student Development Services team at enquiry.eru@cityu.edu.hk. The ERU will continue to communicate directly with staff and students and refer enquiries to the corresponding departments for appropriate assistance. In emergency situations, staff and students may call our 24-hour emergency hotline: 3442 8888.

Chairmen of the ERU,
Professor Horace Ip Ho-shing, Vice-President (Student Affairs)
Mr Sunny Lee Wai-kwong, Vice-President (Administration)
