

Notification from Emergency Response Unit (ERU) (28)

The University will operate as normal from tomorrow until this Sunday (10 to 13 October). If the MTR announces that train service will be suspended earlier than scheduled, the University will cancel all classes two hours before train service ends.

In view of the possible disruption to transport services during this time, we will exercise flexibility for those who arrive at work or class late. For daytime classes, if any academic staff is unable to perform their scheduled teaching duties, they should ensure that make-up classes are properly arranged and inform all affected students as early as possible.

If students face difficulties getting to campus for classes, please inform individual teaching staff or course coordinators.

The ERU will closely monitor the situation and respond accordingly. Students and staff should pay attention to the announcements and news about transport services and conditions.

Staff and students who are in need or who encounter special circumstances can contact the ERU through Professor Eric Chui, Dean of Students, and the Student Development Services team at enquiry.eru@cityu.edu.hk. The ERU will continue to communicate directly with staff and students and refer enquiries to the corresponding departments for appropriate assistance. In emergency situations, staff and students may call our 24-hour emergency hotline: 3442 8888.

Chairmen of the ERU,
Professor Horace Ip Ho-shing, Vice-President (Student Affairs)
Mr Sunny Lee Wai-kwong, Vice-President (Administration)
