

Notification on Emergency Response Unit (ERU) (41)

The University announced this morning that all classes were cancelled after 10:30am today.

In view of the traffic situation for the rest of the day, members of staff in need can seek the consent of their heads of department for an early release from work today.

All students and staff are reminded to put their personal safety first.

Staff and students who are in need or who encounter special circumstances can contact the ERU through Professor Eric Chui, Dean of Students, and the Student Development Services team at enquiry.eru@cityu.edu.hk. The ERU will continue to communicate directly with staff and students and refer enquiries to the corresponding departments for appropriate assistance. In emergency situations, staff and students may call our 24-hour emergency hotline: 3442 8888.
