University Announcement

Anti-virus, teaching and special working arrangements **Notification from the Emergency Response Unit (ERU) (77)**

In view of the development of the epidemic and after fully considering safety issues and our overall operations, the University would like to announce the following arrangements.

Anti-virus measures:

- The measures listed in the [Notification from the Emergency Response Unit \(76\)](#) will continue to be implemented.

Teaching arrangements:

- Real-time online teaching and learning arrangements will be continued.
- All staff and students should try their best to stay home and conduct/attend real-time online lessons according to their timetables.
 - Teaching staff who need technical support, please call: 3442 8340
 - Students who need technical support, please call: 3442 6488
 - All Schools/Colleges and Departments have set up emails for handling student enquiries regarding teaching arrangements.

Administrative and academic departments:

- The University will maintain normal services and operation.
- While the work-from-home arrangement will be extended until 8 March, department heads are responsible for ensuring that University services continue and making the necessary on-campus staffing arrangement while ensuring safety.
- Employees must complete [Health Declaration Form](#) before returning to campus.

In emergency situations, staff and students who need assistance should call our 24-hour emergency hotline: 3442 8888.
