University Announcement

Resumption of working at office Notification from the Emergency Response Unit (ERU) (90)

CityU has been maintaining normal services and operations during the epidemic and at the same time implemented teaching and work arrangements according to the development of the epidemic. In light of the latest situation, all staff in academic and administrative units will resume working at their offices starting next Monday (11 May).

Departments are asked to take note of the following to reduce the risk of virus transmission:

- Department heads may implement flexible working hours and lunch period.
- Staff are encouraged to reduce face-to-face contact and hold meetings through video conferencing if possible.
- Staff who are currently abroad are not required to return to Hong Kong immediately. With department head's agreement, they can work from home during the 14-day quarantine period after returning to Hong Kong.

Anti-virus measures will continue to be implemented and we urge everyone to follow the [relevant information](#) issued by the Government and maintain social distancing.
