University Announcement

Resumption of working at office

Notification from the Emergency Response Unit (ERU) (116)

CityU has been maintaining normal services and operations during the pandemic and at the same time implemented online teaching and special work arrangement. In light of the latest situation, all staff in academic and administrative units will resume working at their offices starting next Monday (21 September).

Academic and administrative departments:

Departments are asked to take note of the following to reduce the risk of virus transmission:

- Reference to the FMO [website](#) for anti-virus information.
- Department heads may implement flexible working hours and lunch periods.
- Staff are encouraged to reduce face-to-face contact and hold meetings through video conferencing if possible.

Teaching and learning

- Except for laboratory and internship sessions, which require students to attend in person on campus, all students should attend online lessons according to their timetables and avoid returning to campus.
- Please also refer to the [announcement](#) issued by the Office of the Provost on 4 September.
- Technical support for online teaching and learning:
 - Staff : 3442 8340
 - Students : 3442 6488

The University will continue to pay close attention to the pandemic developments, take all necessary steps and handle the situation carefully. For the benefit of both you and those around you, we once again advise everyone to maintain good personal hygiene and social distancing.

We hope you and your loved ones remain safe and healthy!
