University Announcement

Confirmed Covid-19 case Notification from the Emergency Response Unit (ERU) (122)

The University has been informed that an undergraduate student from the Department of Social and Behavioural Sciences tested positive for Covid-19 on 6 December. The individual has been sent to a community treatment facility for treatment.

The student reported having returned to campus on 26 November, with details as follow:

- Yeung Building: study room 1, 6 and 7
- Lau Building: canteen

Those who may be affected will be informed and follow-up actions have been taken by the University according to guidelines provided by the Centre for Health Protection. All relevant areas will be disinfected and cleaned.

Staff and students are required to report any suspected case to his/her Head if he/she or any direct relative (living together) believe that he/she might be infected. Department heads are advised to make appropriate arrangements. For details, please refer to the Facilities Management Office [website](#).

We will continue to pay close attention to developments, take all necessary steps and handle the situation carefully. For the benefit of both you and those around you, we once again advise everyone to maintain good personal hygiene and social distancing.
