University Announcement

Confirmed Covid-19 case Notification from the Emergency Response Unit (ERU) (128)

The University has been informed that an advanced diploma student from the School of Continuing and Professional Education (SCOPE) tested positive for Covid-19 on 24 December, and the individual is receiving treatment in a community treatment facility.

The student reported having returned to SCOPE's Tsim Sha Tsui East Learning Centre and visited the Young Chung Yee Health Centre (Medical Clinic) on CityU campus respectively, with details as follow:

- 8 December: Tsim Sha Tsui East Learning Centre of SCOPE
- 22 December: Medical Clinic on CityU campus

Those who may be affected will be informed and follow-up actions have been taken by the University according to guidelines provided by the Centre for Health Protection. All relevant areas will be disinfected and cleaned.

Staff and students are required to report any suspected case to his/her Head if he/she or any direct relative (living together) believe that he/she might be infected. Department heads are advised to make appropriate arrangements. For details, please refer to the Facilities Management Office [website](#).

We will continue to pay close attention to developments, take all necessary steps and handle the situation carefully. For the benefit of both you and those around you, we once again advise everyone to maintain good personal hygiene and social distancing.
