University Announcement

Confirmed Covid-19 case Notification from the Emergency Response Unit (ERU) (139)

The University was informed that a non-local research assistant from the School of Energy and Environment was discharged from hospital on 22 March after recovering from Covid-19. The individual has not been on the CityU campus since arriving in Hong Kong on 1 March.

Staff and students are required to report any suspected case to his/her Head if he/she or any direct relative (living together) believe that he/she might be infected. Department heads are advised to make appropriate arrangements. For details, please refer to the Facilities Management Office [website](#).

We will continue to pay close attention to developments, take all necessary steps and handle the situation carefully. For the benefit of both you and those around you, we once again advise everyone to maintain good personal hygiene and social distancing.
