University Announcement

Notification from the Emergency Response Unit (ERU) (143)

The University has been closely monitoring the development of the pandemic since last year, with the safety of our staff and students as our top priority.

While the University will continue to implement the regulations as stated in [ERU notification \(141\)](#), we would like to reiterate that staff and students should observe and follow the [government's regulations](#), and they should not return to campus before the completion of the self-monitoring period.

For the latest information on preventing Covid-19 at the University, please refer to the Facilities Management Office [website](#).

We will continue to pay close attention to developments, take all necessary steps and handle the situation carefully. For the benefit of both you and those around you, we once again advise everyone to maintain good personal hygiene and social distancing.
