Part II Course Details

Abstract

This course aims to introduce students to various theories and perspectives of mass communication, with reference to (a) the roles of the media (news and entertainment) in society, politics, and culture; (b) the production of media messages in professional and organizational settings; (c) the impact of media on individuals and institutions.

Course Intended Learning Outcomes (CILOs)

CILOs		Weighting (if app.)	DEC-A1	DEC-A2	DEC-A3
1	Understand theories and concepts in media effect research		x		
2	Critically analyze media phenomena in local contexts		x	x	x
3	Understand and reflect on communication dynamics and consequences of social media use		x	x	
4	Become familiar with and informed of different approaches to media research		x	x	

A1: Attitude

Develop an attitude of discovery/innovation/creativity, as demonstrated by students possessing a strong sense of curiosity, asking questions actively, challenging assumptions or engaging in inquiry together with teachers.

A2: Ability

Develop the ability/skill needed to discover/innovate/create, as demonstrated by students possessing critical thinking skills to assess ideas, acquiring research skills, synthesizing knowledge across disciplines or applying academic knowledge to real-life problems.

A3: Accomplishments

Demonstrate accomplishment of discovery/innovation/creativity through producing /constructing creative works/new artefacts, effective solutions to real-life problems or new processes.

Teaching and Learning Activities (TLAs)

TLAs		Brief Description	CILO No.	Hours/week (if applicable)
1	Lectures	Explaining theories, concepts, important points from the readings	1, 3, 4	
2	Group project with applications to local contexts	Relating course content to everyday life in local contexts	1, 2, 3, 4	
3	In-class discussions and exercises	Students raising and answering questions from the instructor, and engaging other students in discussions about course materials.	1, 3, 4	

Assessment Tasks / Activities (ATs)

ATs		CILO No.	Weighting (%)	Remarks (e.g. Parameter for GenAI use)
1	Quizzes: Two quizzes, one mid-term, one final, will assess students' ability to analyse the theories and concepts covered in the lectures and readings. (20% + 40%)	1, 2	60	
2	Group project: Students will conduct a semester-long group project to examine a new media phenomenon of relevance and importance to the contemporary society.	1, 2, 3, 4	30	
3	Class participation: Students are expected to attend class regularly and actively engage with questions and discussions in class.	1, 2, 3, 4	10	

Continuous Assessment (%)

100

Examination (%)

0

Assessment Rubrics (AR)**Assessment Task**

Final quiz

Criterion

A solid grasp of the theories, concepts, and important topics covered in the class

Excellent (A+, A, A-)

High (Full understanding of the concepts and theories discussed in class)

Good (B+, B, B-)

Significant (Good understanding of the concepts and theories discussed in class)

Fair (C+, C, C-)

Moderate (Adequate understanding of the concepts and theories discussed in class)

Marginal (D)

Basic (Minimal understanding of the concepts and theories discussed in class)

Failure (F)

Fail to distinguish different concepts nor theories and show little understanding on the concepts and theories discussed in class

Assessment Task

Group Project

Criterion

Thoughtful applications of course content and thorough analysis of the topic in local contexts

Excellent (A+, A, A-)

Show profound insights, original thoughts, in-depth analysis, excellent team work and presentation

Good (B+, B, B-)

Show original thoughts, solid analysis, and good team work and presentation

Fair (C+, C, C-)

Show adequate knowledge and analysis, logical argument, and clear presentation

Marginal (D)

Show acceptable knowledge and analysis, and reasonable presentation

Failure (F)

Fail to present the knowledge nor analysis in the group work, and poor presentation

Assessment Task

Class participation

Criterion

Regular attendance in class and consistent, active participation

Excellent (A+, A, A-)

High levels of consistent, meaningful contributions to class discussions; demonstrates preparation and engagement with the material.

Good (B+, B, B-)

Significant levels of attendance and active participation in class discussions

Fair (C+, C, C-)

Moderate level of active participation with regular attendance; or low level of attendance despite active participation

Marginal (D)

Basic attendance but little to none active participation

Failure (F)

Fail to attend or participate in class most of the semester

Part III Other Information

Keyword Syllabus

Media effects, social media, media images, social networks, multitasking, misinformation, media and social change, public engagement, polarization
