## Part II Course Details

### Abstract

The aims and objectives of this course is to:

- Introduce students to the law governing business organisations.
- Examine the historical development and key distinctions among various forms of business organisations.
- Explore and critically assess the concepts of separate legal personality and limited liability.
- Demonstrate how corporate law interacts with students' professional and working lives in practical, accessible ways.
- Analyse the constitutional framework of corporate bodies, including the relationships between internal organs and external agencies.
- Evaluate the legal regime governing directors and shareholders, and investigate the dynamics of their relationships.
- Engage with selected aspects of corporate law that are particularly relevant to students' major disciplines.
- Develop awareness of how company law facilitates or constrains commercial and organisational objectives, while balancing the interests of investors, creditors, managers, employees, and the wider public.
- Encourage creative application of legal principles to real-world scenarios.
- Highlight the role of legal knowledge in formulating effective risk management strategies within business contexts.

#### A3: Accomplishments

Demonstrate accomplishment of discovery/innovation/creativity through producing /constructing creative works/new artefacts, effective solutions to real-life problems or new processes.

### Learning and Teaching Activities (LTAs)

LTAs	Brief Description	CILO No.	Hours/week (if applicable)	
1	Lectures	The course leader will present and explain the substantive law on the topics listed below in the course syllabus.	1, 2, 3	2 hours

2	Tutorials	Students will be expected to work through problem type questions in the tutorial, apply the relevant principles discussed in the lecture, analyze and then hypothesize on the projected answer to the problem.	1, 2, 3	1 hour
---	-----------	--	---------	--------

**Assessment Tasks / Activities (ATs)**

	<b>ATs</b>	<b>CILO No.</b>	<b>Weighting (%)</b>	<b>Remarks ("- " for nil entry)</b>	<b>Allow Use of GenAI?</b>
1	Tutorial Participation and Coursework	1, 2, 3	40	<p>- Your participation during the interactive small group sessions allows you to demonstrate your capacity to understand, analyse and apply rules and principles. Your responses in these sessions will enable you and your teachers to assess the adequacy of your learning and how to improve it where necessary. Students will be graded on their understanding and application of the law, as well as their ability to provide the reader with evidence of a persuasive legal argument. The logic, application, and understanding of case law will also form part of the assessment criteria.</p> <p>- The use of Generative AI tools is not allowed.</p>	No

**Continuous Assessment (%)**

40

**Examination (%)**

60

**Examination Duration (Hours)**

2

**Additional Information for ATs**

A student must obtain a minimum mark of 30 in both coursework and examination and an overall mark of 40 in order to pass this course.

**Assessment Rubrics (AR)**

**Assessment Task**

1. Tutorial Participation and Coursework

**Criterion**

Ability to master principles, theories and concepts; Ability to identify the right issues and address the problems; Ability to conduct legal research; Ability to apply the relevant laws to the issues; Ability to present arguments and observations clearly and in a well thought out manner.

**Excellent (A+, A, A-)**

Strong evidence of original thinking; good organization, capacity to analyse and synthesize; superior grasp of subject matter; evidence of extensive knowledge base.

**Good (B+, B, B-)**

Evidence of grasp of subject, some evidence of critical capacity and analytic ability; reasonable understanding of issues; evidence of familiarity with literature.

**Fair (C+, C, C-)**

Student who is profiting from the university experience; understanding of the subject; ability to develop solutions to simple problems in the material.

**Marginal (D)**

Sufficient familiarity with the subject matter to enable the student to progress without repeating the course.

**Failure (F)**

Little evidence of familiarity with the subject matter; weakness in critical and analytic skills; limited, or irrelevant use of literature.

---

**Assessment Task**

2. Final Exam

**Criterion**

The examination will test students' ability to apply legal principles to problem style questions on topics not covered in the assignment.

**Excellent (A+, A, A-)**

Strong evidence of original thinking; good organization, capacity to analyze and synthesize; superior grasp of subject matter; evidence of extensive knowledge base.

**Good (B+, B, B-)**

Evidence of grasp of subject, some evidence of critical capacity and analytic ability; reasonable understanding of issues; evidence of familiarity with literature.

**Fair (C+, C, C-)**

Student who is profiting from the university experience; understanding of the subject; ability to develop solutions to simple problems in the material.

**Marginal (D)**

Sufficient familiarity with the subject matter to enable the student to progress without repeating the course.

**Failure (F)**

Little evidence of familiarity with the subject matter; weakness in critical and analytic skills; limited, or irrelevant use of literature.

## Part III Other Information

### Keyword Syllabus

The course will consist of 13 seminars; Their will be an introduction to Company Law in Hong Kong as well as an introduction to the different business vehicles available to those looking to either advise or start up their own business; The course will proceed by introducing students to the fundamental aspects of company formation, the obligations and responsibilities officers possess within the company and the consequences of failing to abide by those obligations; The course will then move onto the crucial aspects of the law as it applies to students working careers; Not only will the course provide a working knowledge for students but also how it applies on an everyday basis; References will be made to the social context (corporate governance) in which the law operates, this will provide students with an understanding of how cohesive, well balanced and wealthy Hong Kong has become; By the end of the course not only will students have an operational understanding but also an appreciation of how law has contributed to all the above attributes that the city of Hong Kong possesses today; In furtherance of the course objectives frequent comparisons will be made to other common law jurisdictions and how the law is applied there.
