Study Tours

Study tour is an extraordinary way for AIS students to learn and broaden their views and horizons through intensive exchange with people in different cultures and societies.

AIS study tours were both organised by teachers and students, the countries we have visited include: Australia, Cambodia, China, Czech Republic, France, India, Indonesia, Japan, Myanmar, Peru, South Korea, Thailand, Vietnam, USA……

Internship Programme

AIS’s well-developed internship programme enhances students’ job-skill training in a variety of fields — non-governmental organisations, marketing and research firms, private companies, media and tourism agencies, political parties and policy consultancy agencies. We also provide overseas internship opportunities.
