About the Press

City University of Hong Kong Press was founded in 1996 as the publishing arm of the City University of Hong Kong. Our mission is to promote scholarship, to disseminate knowledge and creative works, and to enhance knowledge transfer.

The Press publishes three types of publications: academic works, professional books, and books of general interest and social concern. These cover a wide range of fields including business, history, cultural studies, education, law, sciences and engineering, political science, and social sciences, with a focus on China studies, Hong Kong studies, Asian studies, politics, and public policy. The Press endeavours to produce works of social impact, regional and international significance, and lasting value.
