CityUHK Delegation – Standard Chartered Hong Kong Marathon & Inclusive Run 城大 渣打香港馬拉松代表團 暨共融跑活動

The CityUHK Delegation's 17th participation in the Standard Chartered Hong Kong Marathon on 9 February 2025 was a remarkable celebration of athleticism, inclusivity, and community engagement. With 770 CityUHK runners participating, including students, staff, alumni, dependents and inclusive runners, the event highlighted the University's dedication to fostering a healthy and inclusive environment.

A particularly inspiring aspect of the event was the Inclusive Run, in which CityUHK runners partnered with students from special schools. This is our sixth Inclusive Run, and this year, we partnered with Mary Rose School and TWGHs Chi-Li Pao School. CityUHK students provided training for runners from these two schools and accompanied them throughout the journey of the 10km race. This initiative not only provided a supportive platform for these students to experience the joy of running but also underscored CityUHK's commitment to building a healthy university as well as a more inclusive society.

城大代表團於 2025 年 2 月 9 日第 17 次參加渣打香港馬拉松，充分展示了城大跑手的運動精神、包容性和社區協作精神。是次活動吸引了 770 名城大跑手參加，包括學生、教職員及其家屬、校友及其家屬，以及共融跑參加者，彰顯城大致力於營造一個健康和包容的學習環境。

其中，城大跑手與來自特殊學校的學生攜手參與的共融跑環節特別令人鼓舞。這是我們第六次舉辦共融跑，今年我們與天保民學校和東華三院包玉星學校合作。城大學生為這兩所學校的跑手提供訓練，並陪伴他們完成十公里賽事。此活動不僅為這些學生提供一個體驗跑步樂趣的支援平台，更凸顯出城大對建立健康校園和一個共融社會的決心。

DING Tsz Yiu, Bachelor of Business Administration in Accountancy (Year 3)

One of my most memorable volunteering experiences was participating in the Service Outreach Experience Programme to Yunnan from 30 May to 5 June 2024, which was organised by the Student Development Services. At that time, we organised community service activities such as birthday parties, games and dumpling-making sessions for local children and elderly. At first, I was not sure of the benefit of our efforts, but I soon realised that our companionship brought joy to children who needed it very much as their parents worked far away from home. The laughter and shared stories helped create genuine connections between volunteers and local people, offering them hope and a sense of belonging. This experience underscored the profound impact of emotional support and reinforced the power of volunteering to bring hope and care to those in need.

丁芷堯, 工商管理學士 (會計) (三年級)

我最難忘的義工服務之一是在 2024 年 5 月 30 日至 6 月 5 日參加學生發展處舉辦的雲南外展服務體驗計劃。期間我們為當地的孩子和長者籌辦社區服務活動，例如舉辦生日派對、一起玩遊戲和包餃子。起初我也不確定這些努力能否為他們帶來益處，但很快就發現到我們的陪伴為這群父母在遠方工作的孩子帶來了歡樂。一起歡笑和分享故事促進了義工和當地人之間真摯的友誼，亦為他們帶來了希望和歸屬感。這段經歷凸顯了情感支援是多麼的重要，也增強了義工服務為有需要的人帶來希望和關懷的力量。

MAU King Ho, Bachelor of Arts in Creative Media (Year 2)

By organising a free mock exam for specific HKDSE elective subjects, we were able to benefit over 200 students, primarily from Band 3 secondary schools. Subjects like "Design and Applied Technology" and "Chinese Literature" are typically selected by fewer candidates, who often struggle with a lack of resources and support. As a co-founder of a local NGO, *Recurso*, we provided multimedia learning content, created online learning communities and organised online workshops and mock exams. Our goal is to offer equal learning opportunities, regardless of students' backgrounds, helping them to improve their academic performances and pursue their dreams. Through volunteering, I am able to spread hope and care, ensuring that students' talents are nurtured rather than constrained by their exam performances.

繆景浩, 文學士 (創意媒體) (二年級)

透過為報考人數較少的香港中學文憑考試選修科目舉辦免費模擬考試，我們讓超過 200 名主要來自第三派位組別中學的學生受惠。通常一些科目如「設計與應用科技」和「中國文學」報考人數較少，因此資源和支援也相對不足。作為本地非政府組織 *Recurso* 的共同創辦人，我們提供多媒體學習內容、建立線上學習社群，以及舉辦線上工作坊與模擬考試。我們旨在為不同背景的學生提供平等的學習機會，幫助他們改善學業成績並追求夢想。參與義工服務讓我可以傳揚希望和關懷，確保學生的才能得到培養，不因考試臨場發揮而受限。
